

Frontline Excellence in Ambulatory Chronic Disease Management

An accredited CME Event sponsored by Mount Sinai Health Partners and the Icahn School of Medicine at Mount Sinai

Module 1: CHF and Diabetes

November 11, 2020 | 6:00 – 7:30 pm | Live via Zoom

Course Director

Arshad K. Rahim, MD, MBA, FACP
Vice President, Clinical Integration,
Network Development & Population
Health
Mount Sinai Health Partners

Provided by

Icahn School of Medicine at Mount
Sinai and Mount Sinai Health Partners

Course Description

The goal of this CME activity is to provide physicians and their clinical staff education on how to successfully manage heart failure patients and diabetes mellitus patients in the ambulatory setting, following best practices for classification, medication management, and multi-disciplinary collaboration.

Target Audience

Primary care physicians, cardiologists, endocrinologists, nurse practitioners, physician assistants, pharmacists, certified diabetes educators, and registered nurses

Learning Objectives

At the end of this CME activity, participants should be able to:

- Outline optimal ambulatory management and medication considerations for each disease state (diabetes and CHF)
- Recognize the value of multidisciplinary teamwork to optimize disease management for diabetes and CHF
- Understand management consideration for CHF sub-types (HFrEF, HFpEF, RHF)
- Outline appropriate usage and considerations for diabetic medications

Special Needs

The Icahn School of Medicine at Mount Sinai is in full compliance with provisions of the Americans with Disabilities Act (ADA) and is accessible for individuals with special needs. If you would like to attend this conference and require any special needs or accommodations, please contact the Page and William Black Post-Graduate School of Medicine at 212-731-7950.

Accreditation

The Icahn School of Medicine at Mount Sinai is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians

Credit Designation

The Icahn School of Medicine at Mount Sinai designates this live activity for a maximum of 1.5 *AMA PRA Category 1 Credit(s)*[™]

Faculty Disclosure

It is the policy of the Icahn School of Medicine at Mount Sinai to ensure objectivity, balance, independence, transparency, and scientific rigor in all CME-sponsored educational activities. All faculty participating in the planning or implementation of a sponsored activity are expected to disclose to the audience any relevant financial relationships and to assist in resolving any conflict of interest that may arise from the relationship. Presenters must also make a meaningful disclosure to the audience of their discussions of unlabeled or unapproved drugs or devices. This information will be available as part of the course material.

Verification of Attendance

Verification of attendance will be provided to all professionals.

Meeting Location

Live via Zoom

None

EVALUATION/CME CERTIFICATE

Your comments are essential for improving the effectiveness of Icahn School of Medicine at Mount Sinai's continuing medical education activities. The instructions to complete the conference evaluation and download your CME Certificate are below.

If you have any issues attaining your CME Certificate, please email cme@mssm.edu

Step 1: Visit our CME website at <https://mssm.cloud-cme.com>

Step 2: Click "Sign In" on the top left, and sign in using your email address and CloudCME profile password

Step 3: If you do not know your CloudCME profile password, click "Forgot Your Password?" link and you will receive an email with instructions to reset/create your password.

A light gray login form with a white background. It contains the following elements: a heading 'Enter your email and password to login.', an 'Email:' label followed by a text input field containing '123abc@hotmail.com', a 'Password:' label followed by a text input field, an orange 'Login' button, and two links: 'Forgot Your Password?' (circled in yellow) and 'Don't have an account?'. Below the links is a small note: 'ICM personnel only. Please login with your email address and password.'

Step 4: Sign-in and click the "My CME" button on the top right

Step 5: Click "Evaluations and Certificates" - this will allow you to view evaluations that need to be completed.

MyCME

Instructions: Click a button to proceed.
