RE: COVID-19 Vaccine Coverage/Cost-Sharing Waivers Extended

The New York State Department of Financial Services has issued emergency regulations mandating coverage of COVID-19 vaccinations and waiver of related patient cost-sharing amounts until September 22, 2021. New York insurers will continue to be responsible for reimbursing hospitals for any applicable cost sharing.

Cost-sharing waivers associated with COVID-19 diagnosis and testing remain in effect until July 6, 2021. We will notify you if these waivers are also extended.

Please direct any questions to [Kathleen Shure](#).
