Medication Supply Screening

Let's talk for a minute about any prescriptions medications your may take:

No

Do you take prescription medications?

That's great news. One less thing to worry about.

Document outcome and move to next screener

If you change your mind you can reach out to your provider for a 90-day refill and contact CVS, Walgreens or Capsule to set up delivery.

Document outcome and move to next screener

Yes Ok, ideally we want those to last you for a few months. Do you have a 90 day supply of all your medications? No Ok, can I help you get a 90day supply and/or set up medication delivery?

Yes
