

Excellence in Polychronic Disease Management

An accredited CME Event sponsored by Mount Sinai Health Partners and the Icahn School of Medicine at Mount Sinai

May 17, 2022

6:00 – 7:30 pm

Course Director

Arshad K. Rahim, MD, MBA, FACP
Vice President, Clinical Integration,
Network Development & Population
Health
Mount Sinai Health Partners

Provided by

Icahn School of Medicine at Mount
Sinai and Mount Sinai Health Partners

Course Description

The goal of this CME activity is to provide physicians and their clinical staff education on how to successfully manage patients with polychronic disease in the ambulatory setting, following best practices for screening and classification, treatment, and multi-disciplinary coordination and collaboration.

Target Audience

Primary and specialty care physicians, nurse practitioners, physician assistants, pharmacists, certified diabetes educators, and registered nurses

Learning Objectives

At the end of this CME activity, participants should be able to:

- Identify the leading clinical screening and classification, appropriate treatment, and follow-up and coordination considerations for patients with complex polychronic disease.
- Describe the different assessment steps to identify a polychronic disease state patient
- Apply appropriate disease management techniques for patients with two or more chronic conditions

- Identify and recognize the appropriate time to refer patient to other resources (including care management and pharmacy support) to improve patient outcomes and patient satisfaction
- Identify the appropriate point in disease progression/ complication to refer to specialist

Special Needs

The Icahn School of Medicine at Mount Sinai is in full compliance with provisions of the Americans with Disabilities Act (ADA) and is accessible for individuals with special needs. If you would like to attend this conference and require any special needs or accommodations, please contact the Page and William Black Post-Graduate School of Medicine at 212-731-7950.

Accreditation

The Icahn School of Medicine at Mount Sinai is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians

Faculty Disclosure

It is the policy of Icahn School of Medicine at Mount Sinai to ensure objectivity, balance, independence, transparency, and scientific rigor in all CME-accredited educational activities. All faculty participating in the planning or implementation of an activity accredited by ISMMS are expected to disclose all of their financial relationships with ineligible companies existing within the prior 24 months. Relevant financial relationships will be mitigated and disclosed to learners before the activity takes place. Presenters must also make a meaningful disclosure to the audience of their discussions of unlabeled or unapproved drugs or devices. This information will be available as part of the course materials.

Verification of Attendance

Verification of attendance will be provided to all professionals.

Meeting Location

Live via Zoom

Registration Information

Registration is complimentary

The following faculty/planners have reported that they have relevant financial relationships to disclose:

Joji Tokita, MD Grant/Research Support – Renalytix AI (KidneyIntelX)

EVALUATION/CME CERTIFICATE

The survey will be available to you after **May 26, 2022**. Your comments are essential for improving the effectiveness of Icahn School of Medicine at Mount Sinai's continuing medical education activities. The instructions to complete the conference evaluation and download your CME Certificate are below.

If you have any issues attaining your CME Certificate, please email cme@mssm.edu

Step 1: Visit our CME website at <https://mssm.cloud-cme.com>

Step 2: Click "Sign In" on the top left, and sign in using your email address and CloudCME profile password

Step 3: If you do not know your CloudCME profile password, click "Forgot Your Password?" link and you will receive an email with instructions to reset/create your password.

A light gray login form with a close button in the top right corner. It contains the text 'Enter your email and password to login:'. Below this are two input fields: 'Email:' with the placeholder '123abc@hotmail.com' and 'Password:'. An orange 'Login' button is positioned below the password field. At the bottom, there are two links: 'Forgot Your Password?' (circled in yellow) and 'Don't have an account?'. A small note at the bottom reads: 'MSSM personnel only. Please login with your email address and password.'

Step 4: Sign-in and click the "My CME" button on the top right

Step 5: Click "Evaluations and Certificates" - this will allow you to view evaluations that need to be completed.

MyCME

Instructions: Click a button to proceed.
