

Mount Sinai Health Partners' Provider Search Tool allows you to generate custom reports of in-network clinicians using **zip code**, **provider name**, **county**, or **neighborhood** as search parameters. To get started, visit mshp.mountsinai.org and click on **Provider Search** on the top of the page.

Search by Zip Code

1. Enter a valid 5-digit zip code
2. Select the radius (miles) from the zip code you'd like to search
3. Select one, multiple, or all specialties
4. Select one, multiple, or all insurance plans
5. Filter by provider type: CIN (employed and voluntary), CIN voluntary, CIN employed, or all
6. Click **search** to generate a directory of providers matching your search parameters

Search By: **ZIP** PROVIDER COUNTY NEIGHBORHOOD

Zip Code: * 10014
valid zip code is required, 5 digit numeric value.

Distance: Miles:
 0.5 1 2 5 10 15 20

Specialty:
Specialty
Orthopaedic Surgery Orthopaedic Surgery, Hand Surgery

Tip: If your search is too broad, you will receive an error message. Narrow your search parameters and try again.

Your search returned too many results. Please narrow your search and try again.

Search by Provider

1. Enter the provider's first and/or last name (full or partial name)
2. Select one, multiple, or all specialties
3. Select one, multiple, or all insurance plans
4. Filter by provider type: CIN (employed and voluntary), CIN voluntary, CIN employed, or all
5. Click **search** to generate a directory of providers matching your search parameters

Search By: ZIP **PROVIDER** COUNTY NEIGHBORHOOD

First Name:
valid provider first name or last name is required.

Last Name:
valid provider first name or last name is required.

Specialty:
 All

Plan:
 All

Provider Filter: Options:
 All CIN CIN Voluntary CIN Employed

Tip: The search will return providers whose names contain the text string entered, regardless of whether it is at the beginning, middle, or end of their name. For example, “pir” in the **Last Name** field will return providers with the last name “Shapiro.”
