

Laboratory Services Quick Guide

Every dollar counts for your patients. That's why we want to remind you of a sure way to help reduce out-of-pocket costs for your patients — choosing in-network laboratories.

The payers with which Mount Sinai Health Partners has arrangements have preferred

laboratories to provide lab services to their plan members. Please use these network laboratories when requesting lab services.

If you do not have an account with any of these network laboratories, please establish one as needed.
